INSTITUTIONAL INTERVENTIONS

- 2020 **MI Voz**
In anticipation of the 2020 election, "MI Voz" is a yearlong series of cartonera workshops with Michigan's Latinx community exploring the question "what is my political power?".

- 2019 **Estampa Cartonera**
Estampa Cartonera is a participatory installation that interrogates an institutional blind spot unique to my school: its lackluster professional relationship with artists like myself, Latina artists.
- 2018–2019 **The Latinx Library**
The Latinx Library is an ongoing social practice project that invites the University of Michigan Latinx community to make and exhibit their own Latinx Studies collection.
